Subject Dimock Update (1430hrs., 3/8/12)

One home in the process of being sampled this afternoon.

There are currently four outstanding residences that we are still attempting to schedule. Of these four, one will not be back in the area before April. We are still trying to re-schedule sampling with the resident in the hospital.

Alternate water continues to be provided as necessary.

Includes home being sampled at the time of this writing.

*Unaccounted category includes homes that were sent certified letters due to disconnected phone - not counted in appointment to be scheduled. Also note that the discrepancy between Sampling Done and Appointments Scheduled is because some homes shared a well and only one home was sampled.
